School overview

At Warwick East State School we strive to support students to achieve their best in our academic, social, cultural and sporting programs, guiding them to fulfilling experiences, while preparing them for the future.

Every day, everyone is living to learn and learning to live. We are focussed on every child learning to his /her potential. By the time they leave us, we want our learners to be happy, confident, self-managed learners and socially responsible citizens. Our values centre around safety, tolerance, respect, inter-relationships, vitality and excellence.

The services of a school Chaplain and a strong community ethos of volunteering support the process within the school of embedding our school values. Our Chaplaincy service supports students, family and staff proactively through whole school, whole class and individual programs, breakfast club and lunch time games and activities while also reacting to the needs of students, staff and families who may have a temporary need of the Chaplain's support.

Warwick East has extensive sporting and instrumental music programs available to our (approximately 250) students in Prep to Year 6. Students enjoy a wide range of inter-school sport, representative sport and cultural activities.

Incorporated in the campus is a Special Education Unit catering for students with significant learning needs. Having the SEU on campus contributes extensively to the values of tolerance and inclusion that are noticeable characteristics at Warwick East State School.

A new resource centre was added to our facilities in 2012. This has enhanced ICT availability and usage for staff and students alike. In addition it has contributed strongly to our focus on reading improvement and made teacher resourcing and planning simpler and more time effective. The flexibility of the resource centre space allows for a wider range of uses from small group learning to groups of over eighty students.

The renovated Undercover Play Area includes extra walls, lights, sound system, portable stage and an attached storage area. These additions have expanded the ways we can use this great resource to support a much wider variety of activities and in a much wider variety of weather conditions.

At East we remain focussed on improving reading comprehension through a variety of strategies including LEAD 21 and Question Answer Relationship (QAR) strategies and related skills utilising explicit teaching methods. Teachers are working to improve student writing skills by breaking the writing process down into seven separate components with each component being explicitly taught and practised.

All classrooms have on hand an interactive whiteboard that is internet connected or a ceiling mounted data projector which includes a sound system with mounted speakers and a designated screen. This resource can be connected to teacher laptops with internet access available in all rooms. Teachers have made full use of the Curriculum to Classroom (C2C) resources and planning tools made available by Education Queensland throughout the year.

School progress towards its goals in 2018

The five central pillars of Warwick East's 2018 School Annual Improvement Plan are set out below.

1. School and student performance

- Review WESS school wide reading program and consistent use across P-6. Emphasise school wide decoding in reading strategies.
- Review School Assessment Planner and Regional benchmarks.
- Review NAPLAN Data items for high and low achievement. Action plans developed for broad school strategies in place with term reviews.
- Review internal Reading and Maths data for class and individual planning and goal setting. School goals/ Regional benchmarks.
- Apply DETE attendance policy. Continue Roll marking on One School.
- Embed the Regional Charter of Expectations in practice and communicate principles to community.

2. Implementation of National Curriculum

- Teachers supported in implementation of C2C through planning sessions. Whole day planning sessions each term.
- Implement P-12 Curriculum Assessment and Reporting Framework.
- Moderation meetings. Internal and Cluster twice per year.

3. Staff Development & Performance

- Principal Development plan negotiated and implemented with ARD.
- Staff Developing Performance Plans completed and reviewed for teachers.
- Develop Admin Team coaching, feedback, mentoring skills.
- Embed 16 elements into practice.
- Build staff capacity in behaviour through school review of data and involvement in PBL.

4. Community confidence

- Continue PBL.
- Analyse Annual Opinion surveys. Formulate action plans and reviews.
- Maintain and regularly update the School Website.
- Hold school / community functions, sports days, volunteer days, grandparent's day, NAIDOC week etc.
- Conduct parent Information sessions. Term 1 class meetings, class newsletters, LEAD 21, C2C.
- Explicit Teaching, Courtesy calls, Curriculum News and Celebrations.
- Conduct Parent-Teacher interviews, Term 1 and 3.
- Implement Parent and Community Engagement Framework.
- Chaplain Support Activities including Breakfast Club.

5. Priorities from Strategic Plan

- Improve Literacy standards with emphasis on reading and writing.
- Increase use of internal and external data to guide action plans.

All the above AIP actions were completed in 2018. Improvements are continuing in teacher observation and coaching interactions. Observations, feedback and coaching focussed on the 16 elements of Explicit Teaching. The resourcing directed towards the implementation of the Australian Curriculum in terms of professional development and teacher support during the unit planning phase enhanced the introduction of this new curriculum and prepared the environment for the addition of future curriculum areas.

Future outlook

Develop an Explicit Improvement Agenda (EIA) that defines the actions and timelines for the implementation of the identified school strategies, initiatives and programs in the teaching of reading. Strengthen the data literacy of teachers to use student achievement data to identify and plan for the next steps for student learning.

In 2018, there were no students enrolled in a pre-Prep program.

Characteristics of the student body

Overview

Situated in the eastern suburbs of Warwick on the Condamine River, our school provides a coeducational education from P to Year 6 for 256 students from Warwick as well as the surrounding rural area. The school has a long history dating back to 1850. The National School Building, one of the original buildings is the oldest public school building in Queensland still being used and is heritage listed.

Classrooms are a mix of new modular rooms as well as refurbished rooms in older buildings. A Special Education Unit caters for students with disabilities. Other facilities include a science/art room and tuckshop.

Warwick East is situated on picturesque, spacious grounds that include extensive playground equipment under shade, spacious playing fields, practice cricket pitch, multi-purpose court, undercover play area (600square metres) and tennis practice board. Warwick East School has modernised its facilities through the federally funded Building the Education Revolution and National School Pride programs in 2011/2012. These funds have provided a state of the art resource centre, enhanced our undercover play area (HANGAR) so that it can be used for a wider spectrum of activities over a wider spectrum of conditions including night time and wet conditions and renovations in most classrooms to facilitate extended use of ICT resources and laptops and enhanced storage space with new whiteboards/corkboards. In 2013/14 a modern, purpose built Early Education Centre was added to our facilities.

Our school caters for students from the Warwick town as well as from the surrounding rural areas with enrolment trend showing a slight increase. A wide range of students attend our school. An itinerant component is evident as well as a large number of families that have had a connection with our school over many generations. Attendance levels for the majority of students are high.

Approximately 19.2% of our students have indigenous backgrounds and less than 1% speak languages other than English at home.

Average class sizes

Year 4 – Year 6	27	22	26
Year 7 – Year 10			
Year 11 – Year 12			

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

Curriculum delivery

Our approach to curriculum delivery

Our Approach to Curriculum Delivery

Our school bases its curriculum on the Key Learning Area Syllabuses of Education Queensland, from these syllabi, our school provides a curriculum structured around:-

- English – Australian curriculum
- Mathematics - Australian Curriculum
- Science - Australian Curriculum
- HASS – Australian Curriculum
- Single KLA units include Technology, The Arts and Health/Personal Development strands
- Physical Education
- Music – Specialist Teacher
- Languages Other Than English (Years 5 and 6) – Specialist Teacher - The language of study is Japanese
- Literacy, Numeracy and ICT skills are embedded throughout all learning areas

Students with Disabilities

Inclusivity and a safe and supportive school environment are ensured for Students with Disabilities at Warwick East State School, through the adoption of our vision statement. All students engage with the Australian Curriculum, with varying levels of support. Support may be in the form of adjustments to curriculum, pedagogy and assessment by the classroom teacher, specialist teacher and/or teacher aide support within the classroom, a modified program across particular learning areas delivered with the Special Education Unit, or a fully supported and modified program in the Special Education Unit.

Student needs are identified through rigorous data collection and meetings with relevant stakeholders, before an Individual Curriculum Plan is developed by the Support Team, to meet the individual learning needs of the students. Technologies, such as iPads and interactive whiteboards, are used extensively to support and promote student engagement and learning.

As well as the learning areas from the Australian Curriculum, students in the Special Ed unit access programs to support their personal and social development through programs such as :-

- Social Group programs
- Self-regulation Programs
- Horse Riding
- Hydrotherapy

Behaviour Management

Through explicitly teaching the School's expectations to all students in the school in weekly lessons, the teaching staff members aim to teach positive independent behaviour, so that students learn appropriate ways to behave with all people in all situations. Our values and expectations have been developed by staff and the school community and are organised around the 4B's expectations: Be Safe, Be Respectful, Be a Learner and Be Responsible. Throughout 2018 a planning group consisting of staff and parent representatives worked through a process to utilise the principles of the research based Positive Behaviour for Learning strategy as the foundation for school-wide behaviour management.

Co-curricular activities

Student Council

The Student Council provides students with the opportunity to take an active role in the management of the school. Representatives were selected from each class group consisting of Grades 4, 5, and 6. Student council members are involved in fund raising days, and community events such as "Jumpers and Jazz."

Athletics Carnival

The Inter-house Athletics Carnival was held in early Term 3. An Inter-house Cross Country event was very successfully added to our sports program in 2010.

Swimming Carnival

The Warwick East State School Inter-house Swimming Carnival is held annually.

Swimming Lessons

All students from Warwick East School have the opportunity to participate in swimming instructions, conducted at the Warwick Indoor Recreational and Aquatic Centre. The Warwick East State School P&C fully funded swimming lessons for all children in 2018.

Concerts

The combined Warwick Primary School Instrumental Music Concert is held in November of each year. Music students attend music camps and special days such as TYME in Toowoomba, Showcase and Fanfare.

Excursions

To a variety of destinations throughout the year.

Camps

Year 6 students attend Tallebudgera Camp each year.

Interschool Sport

Students in Year 4-6 engage in a range of interschool sports including Cricket, Softball, T-ball, Netball, Hockey, Rugby League, Football, Cross Country, Ball Games, Swimming, Athletics and Cross Country.

Opportunity exists within all of these sports (and others) for district, regional and state representation.

School Choir

Taught by a specialist teacher with weekly practice and performs at a variety of functions each year. Instrumental Music Program includes strings, and concert bands taught by 2 specialist teachers. Combined band practice is weekly before school then students have individual or small group lessons during the day with their specialist instrumental music teachers. Students attend music camps each year. Bands perform at school on special occasions and a number of venues and events throughout the year.

Warwick Show

Students enter artwork, projects, etc. in show competitions

Enrichment Program

Incorporated through inclusion in general planning and overseen by teachers with an interest in Gifted and Talented Education and the Special Needs Action Committee. Special programs run annually in accordance with available resources. Regional extension camps are available to students.

Eco Program

A popular and engaging daily lunchtime program operates at East to include interested students in environmental activities such as worm farming, chicken raising, gathering food scraps for composting, growing a variety of plants and flowers and other activities.

How information and communication technologies are used to assist learning

Classroom teachers have been responsible for delivering ICT lessons during 2018 with the focus on ICTs as being integral to student learning throughout all KLA's. The computer lab / library timetable has been arranged so that a whole class can go to the area at one time. Computers in classrooms are also used every day. Teachers have planned ICTs following the needs of the C2C units of work and the ICT Student Expectations for the various year levels. Professional Development for all staff has been provided on a needs basis so they may enhance their skills in a particular area.

Other technologies including IWBs/data projectors, iPads, cameras, flip cameras are well stocked and used to enhance learning experiences. Teaching staff who use the interactive whiteboards have continued to develop their skills with experimentation and peer tutoring. Software titles continue to be added to the school network with a suite of easier word processing and publishing titles for the younger year levels being a major purchase. 2018 has seen a major shift in the confidence and expertise of teaching staff using ICTs as data projectors and other infrastructure were purchased, allowing optimum teacher laptop use in classrooms in the teaching context.

Social climate

Overview

The social climate of our school is especially important to us. At Warwick East we believe in a commitment to quality learning outcomes and relationships. We strive to support students to achieve their best in our academic, social, cultural and sporting programs, guiding them to fulfilling experiences, while preparing them for the future. This is reflected in our school motto and school values.

At Warwick East State School we believe that children **learn to live and live to learn** through being at school every day, always trying their best, being **safe, respectful and responsible**. We believe this happens when the whole community strives to exhibit effective and positive relationships between teachers, teacher aides, auxiliary staff, students, parents, volunteers and community members, based on our school's values.

In 2018, Warwick East enjoyed the services of a school chaplain two days per week who partnered with our school, community support organisations and local churches to support children and families. The Chaplain organised Breakfast club, was proactive in class and individual support programs as well as provided appropriate reactive support.

Volunteers provide many lunch support programs with individual students and groups. Throughout 2018 volunteers were encouraged to support students in reading.

Parent and community engagement

We encourage parents to become heavily involved in their child's education through the principles of the Parent and Community Engagement Framework. At the start of the year Parent Information sessions are organised by all class teachers where the class programs are outlined and parent questions answered.

Parents are encouraged to participate in school and class activities. Formal Parent/Teacher interviews are held in terms one and three. Parents are closely involved in completing their student's individual curriculum plans.

Community participation is also welcomed as our school endeavours to provide a curriculum, which is engaging and relevant. Our community actively participates in the school through attendance at monthly Parents and Citizens meetings, PBL monthly meetings, tuckshop, fund-raising and classroom / co-curricular activities such as excursions and camps. Riding for the Disabled involves close cooperation with staff, parents and community organisations. Our school actively participates in community events e.g. ANZAC Day, Jumpers and Jazz in July, Warwick Show and Rodeo. A parent information session is held during Education Week and enrolment days and sessions have been conducted annually to discuss Embedding Indigenous perspectives in the curriculum.

Weekly newsletters, school webpage, scheduled student-teacher interviews and regular contact enable enhanced communication between school and home.

Respectful relationships education programs

The school has developed and implemented a program/or programs that focus on appropriate, respectful, equitable and healthy relationships.

Programs at Warwick East include HPE, Chaplaincy, and Positive Behaviour for Learning.

School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2016	2017	2018
Short suspensions – 1 to 10 days	28	27	37
Long suspensions – 11 to 20 days	1	1	0
Exclusions	0	0	1
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Data is sourced from the school's annual utilities return and is reliant on the accuracy of these returns.

A bank of 24 solar panels attached to block A and the installation of energy efficient light tubes throughout the school contributed to the reduction of our environmental footprint. Warwick East School recycles paper and aluminium cans and has had a number of water tanks installed to reduce our town water usage. Extra tanks added through the BER project in 2011/2012 contributed to reduced dependence on town supplied water. Information made available through the local council on recycling is provided to students in the upper grades.

A school garden was commenced in 2011 to teach students more about recycling and sustainability in 2013 and beyond. Parents contributed funds to the garden, which now includes a chicken coop with a small number of chickens and a variety of gardens. This program has gained strong momentum with students of all ages engaged each lunch time in a range of environmental activities including worm farming and composting. A successful grant submission to water the school oval with recycled water was submitted in 2012 and work was completed on this project in 2013.

A staff member is designated to oversee school sustainability.

Table 7: Environmental footprint indicators for this school

Utility category	2015–2016	2016–2017	2017–2018
Electricity (kWh)	50,423	71,171	79,933
Water (kL)		1,144	1,841

Note:

Consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

Description of how this school manages non-attendance

Queensland state schools manage non-attendance in line with the Queensland Department of Education procedures: [Managing Student Absences and Enforcing Enrolment and Attendance at State Schools](#); and [Roll Marking in State Schools](#), which outline processes for managing and recording student attendance and absenteeism.

Class rolls are marked at the beginning of the school day and directly after Afternoon Tea on One School through the teachers' laptop. Late students report to the office for a late slip. A text message is sent before 10am to all primary contacts for students who have been marked absent on the roll and have not provided an explanation to the office.

Teachers alert office and then ring home if a student has three days absence. Office conducts a weekly absenteeism check through One School, alerts principal and then office checks by phoning parents. Written notifications are sent home for continued absences reminding caregivers of DET policy on attendance and seeking interviews to discuss the absences and issues around attendance. Encouraging attendance is done through the weekly newsletter, report card notification, and recognising high attenders through weekly parade and newsletter.
